Maintaining cleanliness is the essential part of healthy living because it is the cleanliness only which helps to improve our personality by keeping clean externally and internally. Taking the motive into the account our Institution worked at Vallam, Sriperumbudur for the cleanliness drive on 22.9.2016.

Some the major indicative are:-

- SVCT in itself made a big initiate in its campus along with the neighbouring village (Vadakkal) worked into the campus by banning single use plastic in all the hostel and asking the campus shopkeepers to not to keep plastic bags. - Paper banner Banner on Tree leaves Banner on Cloth were used during the awareness program.
- An average of 5.0 kg plastic were collected.
- Students involved themselves in cleaning the selected village
- SVCT also issued a circular to all students to collect plastics from their homes
- Pledge were taken during the Morning Prayer to make campus and village clean and try to achieve plastic free.
