- Student-centric Processes.
- Professional Counselling Services.
- MoUs on research, academic/cultural exchange and industry interaction Career Guidance Cell.
- Entrepreneurship Development Cell.
- Value addition programs towards employment and higher studies.
- Various Centres of Excellence.

Shri. B. Haribabu
Chairman

Engineers don't sit back and watch – they make things happen.

It is our deepest desire to serve the society by moulding such technocrats and business leaders of tomorrow. To satisfy our desire we started this institution in 2010 to impart and provide such a knowledge which is strength and power to the society with the learning of the latest developments of the world to meet the growing demand for trained man power.

Govindasamy Naidu Educational trust has been started with the key objective to provide financial help to the economically disabled students who excel in academics and have a strong desire in pursuing engineering education. Huge scholarship is given by our trust with no bar on their caste, religion or gender as we believe engineering education should reach all students.

"There is nothing I believe more strongly than getting young people interested in science and engineering, for a better tomorrow, for all humankind." – Bill Nye

So we too believe that success starts with a thought or an idea of young mind when nourished with hope and confidence, that idea sprouts, blossoms and leads to action with knowledge.

We are set to take the mission of implementing new education methodologies to enable quality learning. We encourage independent thinking and help the student in developing wholesome personality so that they can contribute their best to the society and the country. Utmost care is taken in updating our infra structures which provides an ambience that stimulate intellectual thinking and academic interaction to meet the technological revolution and new challenges of modern era

Dr. H. Srinivasan
Vice Chairman

Our Facilities

Internet

Our college has a dedicated internet lab that works 24 hours a day and 7 days a week. Free high speed internet access is provided for students, faculty and staff with individual logins. Fiber optic connectivity is available across the campus. The campus intranet has important details about test / exam schedules, time tables, campus news, etc. Students and faculty members also have access to the digital library and a plethora of knowledge resources.

CAD / CAM Center

The CAD/CAM centre has been established to cater to the training of all students with the latest CAD and CAM software. The software available include Auto-CAD, Pro-E, Mechanical Desktop, IDEAS, CATIA, ANSYS and CAM software such as ESPRIT, DENFORD CNC TUTOR. DANFORD CNC trainers namely the STARTURN & STARKILL machines are also available. Certification courses in the latest software will be run for our students

Transport

A full fledged transport department functions in the college with buses to provide transport facility to students and staff from various places. This service is offered to ensure hassle-free and safe transportation. Bus routes, boarding points and timings are provided in the website exclusively maintained by the Transport Department.

Laboratory

All the departments have well equipped and spacious laboratories, with latest sophisticated equipments on part with the premier R&D institutions to conduct practical in the campus.

Canteen

Two canteens and a food court function within the premises of the college to serve hygienically prepared food to the staff and students. A subsidized mess is also operated in the campus. Separate messes for boys and girls have also been functioning in the respective hostels.

Hostels

We have separate hostels for boys and girls. Students are allowed to use their own computers in their hostel rooms. The hostels are equipped with a gym and recreation facilities too. Deputy wardens and resident faculty members are available round the clock in all the hostels.

Courses Offered

UG Courses

B.Tech Artificial Intelligence and Data Science
 B.Tech Computer Science and Business Systems
 B.E. Computer Science and Engineering
 B.E. Computer Science and Engineering (Cyber Security)
 B.E. Electronics and Communication Engineering
 B.E. Electrical and Electronics Engineering
 B.E. Mechanical Engineering
 B.E. Civil Engineering

PG Courses

M.E. Computer Science and Engineering
 M.E. Communication Systems

VIP Testimonials

An excellent institution for young minds to develop themselves. Extremely committed faculty members and management who could shape the lives of many budding engineers.

Dr.A.Abdul Rahman
Scientist

Happy to note the enthusiasm at all levels. Led by Management, this team will do.

Ms.R.Gayathri
Assistant Manager
Kone Elevators Pvt Ltd

I found the faculty & management extremely dedicated on talent development. Have very good mechanisms to drive students education and bring out innovative ideas.

Dr.S.Krishna Kumar
Senior Technical Officer
DRDO

The environment looks very healthy right from management, faculty and students. The career development programs designed for improving students technical and soft skills is very structured and progress driven.

Ms.A.Tamilarasi
Senior Manager
Mando Automotive India Ltd

Very committed and visionary management, Excellent team members.

Mr.Francis Suresh
Director
CGS Green Energy Services

Technical Support Session on Amazon Web Services

Guest Lecture on Cyber Security

Health Awareness Program

Industrial Visit to Ashok Leyland Ltd.

Workshop on First Aid

Hands On Training Session on R Language

Anna University - Zone IV Kabaddi Tournament

ISRO Space on Wheels @ SVCT

Our department faculty members are experienced and subject experts. • Department doesn't focus only on syllabus oriented teaching, they also plan and execute multiple trainings along with other industries to provide hands on experience to us.

V.Sridhar
Tamil Nadu Police

My experience in Sri Venkateswaraa College of Technology has been truly life changing and inspiring. I can definitely credit my college for metamorphosing the ambitious youngster. I was into the holistic self competent professional I regard myself to be, today.

S.Jeeva
Business Development Manager
Equitas Small Finance Bank

The outstanding attribute of Sri Venkateswaraa College of Technology is that there is room and scope for every individual to grow and develop in whatever he/ she may have as passion for, apart from the mainstream academics.

Mydeen Batcha
M.Sc. Advanced Mechanical Engineering
Sheffield hallam University, UK

I celebrate my study in Sri Venkateswaraa College of Technology. We had full freedom to express our ideas and thoughts. Our knowledge and skills were enlightened with care by well qualified and magnificent professors, lectures and other laboratory associates.

Anurag Tiwari
Executive Engineer, TAFE

My tenure can be described as enriching, challenging, inspiring and life changing. Life begins at the end of your comfort zone. This is my biggest learning at Sri Venkateswaraa College of Technology.

M.Jaganathan
Junior Engineer
Merchant Navy

Every educational institution has the one point agenda of getting their students into top ranks to get more students next year. But Sri Venkateswaraa College of was always exceptional, they expected performance but they valued our thoughts, our innovation and had ears to listen to our ideas, problems and had solutions to them as well.

Logeshwaran Ravi
Project Executive - Middle East & Africa.
ANDRITZ Technologies Pvt. Ltd.

Sri Venkateswaraa College of Technology is undoubtedly a peerless institution. Anyone who is enthusiastic about pursuing a engineering degree will be lifted to great heights by an optimum thrust provided by potent lecturers and efficient laboratories.

Vijayanarjan
Design Engineer
TCS, Chennai

Graduating from Sri Venkateswaraa College of Technology is definitely a rewarding experience and a significant chapter in my life. I acquired a strong fundamental knowledge through my curriculum in my undergraduate studies, one which allowed me to compete with students from across the world in my graduate studies at Purdue University.

Vignesh N
Associate Engineer
Caterpillar India Pvt Ltd
